AIRPORT COOPERATIVE RESEARCH PROGRAM
2023-2024**

Note to Applicant: Print this cover page and collect the required signatures. Upload the Cover Page as indicated in the application package. You will submit the original, signed Cover Page with the hard copy submission of your application.

To be completed and signed by Applicant:

I certify that all the information provided in my application package for the Graduate Research Award Program of the Airport Cooperative Research Program is true and commit to following all Award guidelines if I am selected to receive the award.

Applicant Name (printed): _____

Applicant Signature: _____

Date: _____

Title of Research Proposal: _____

University: _____

To be completed and signed by the university's Sponsored Programs Office:

Please check appropriate box below:

- ☐ If the above applicant is selected for a Graduate Research Award of \$12,000 by the Airport Cooperative Research Program, this office agrees to administer the award for the student with no indirect costs applied and to provide the funding incrementally as specified in the award based on acceptance of required research reports throughout the award period. **Please Note: These funds are intended to be given directly to the student awardee and may not be reduced by administrative or other university fees and may not be used in lieu of tuition or other funding already available to the student for research or teaching assistantships or other scholarships and fellowships.**
- ☐ This office will not administer the award. Please provide this award directly to the student.

We certify that the student is a U.S. or Canadian citizen, U.S. or Canadian permanent resident or studying in the U.S. under a student visa and that this status should continue through January 31, 2024.

Signed by individual authorized to commit the University's Sponsored Programs Office:
